Deeper Life Bible Camp Couples’ Retreat
September 4-7, 2009
Blackduck, MN

**Couples Retreat
September 4 - 7, 2009**

“Many times we as couples find it nigh unto impossible to do things in a selfless manner where our mates are concerned. Pride gets in the way, anger blocks what we should do, selfishness keeps us from being all that God would have us be. Sometimes, we just have to “bit the bullet” and do what we should do for the glory of God, and not for the other person. This retreat is about just that. It’s about finding the strength and will to be submissive or forgiving or patient simply because it is pleasing to God. Come along on the journey with imperfect people who serve a mighty God who can work miracles when we are obedient.”
